## We're excited to be a part of this year's 2017 Environmental Leader Conference!

Orion Registrar is dedicated to client loyalty with thorough and fair auditing, cost-effective pricing, auditors located nationwide, and excellent customer service. We seek to form a partnership with our clients. Orion provides certification for ISO 9001, ISO 14001, OHSAS 18001, ISO 9001, VCAP, RIOS, Responsible Recycling (R2), e-Stewards, AS 9100, 9110, 9120, ISO 13485, TL 9000, ISO 50001, SFI CoC, and BIFMAe3. Coming soon: SEP, ISO 22301, ISO 20000, and ISO 27001. With Orion, a company can save time and money by customizing its certification needs, including integrated standards and site-sampling.

### Certification has many benefits for a company or organization.

- ▶ Cut costs, through improved systems and processes. Improve your bottom line.
- ▶ Increase customer satisfaction through improved safety, security, quality, and processes.
- ▶ Access new markets and increase your edge in a competitive market.
- ▶ Strengthen your organization.
- ▶ Reduce impact on the environment.

In addition, through maintaining a certified system, your company learns to understand and capitalize on the value of focused, systematic processes for managing your business. This focus will enable you to measure and surpass stated goals and objectives.
